Renewal by Andersen

SOUTH FLORIDA / FOR HOA BOARDS & COMMUNITY MANAGERS

Less back-and-forth. Easier project reviews.

One point of contact for window and patio door projects, from vendor paperwork to installation.

How we can help your community

Send us your vendor checklist

We can coordinate the COI, W-9 and contractor license information you require.

Get one review packet per home

We can organize scope, styles, finishes and product specs around your approval process.

Know who to call through installation

We coordinate measurements, engineering documents when needed, and installation details.

Start with your vendor checklist.

Explore the HOA program and request a vendor packet. After board endorsement, eligible resident projects can qualify for preferred pricing.

SOUTH FLORIDA / FOR HOMEOWNERS IN PARTICIPATING COMMUNITIES

Update your windows. Keep the look you love.

Replacement windows and patio doors with help navigating your association's exterior guidelines.

From design consultation to installation

Find a look that fits your community

Compare window and door styles, frame colors and grille patterns with your design consultant.

Get help with your HOA submission

We can provide product details and finishes for your association·s review.

Plan for a precise fit

A technician measures your openings before ordering. Professional installers handle installation and cleanup.

Ask about your community’s preferred pricing.

Available on eligible projects through participating associations after board endorsement. Contact Taylor to confirm your community’s offer and schedule a consultation.
